Grade Six Leavers Dinner Committee

Dear Parents/Carers,

I am sending out an invitation to parents of grade 6 students to become members of the 2014 Leavers Dinner Committee. The role has been simplified for us because of the organisation over the last two years. The past committees have left us with some guidelines.

Our role will be to
- Decide on colours for the balloons, napkins table decoration.
- Purchase balloons, fairy lights, napkins etc. (Leavers Dinner budget)
- Set up tables and decorations on the day of the dinner.

There is no theme for the dinner.
The venue has already been booked and the date will be Tuesday 16th December.
