6th Feb 2015

Dear Families of 1/2 HA

The first week back has been a very positive start for your children, but not with the teacher they expected.

As you would have seen in the classroom, Helen Arnold has been very industrious over the holiday transforming the class into an amazing learning environment. Unfortunately she has been unable to start teaching due to an administrative process. Helen is waiting for the renewal of her teacher registration to be finalised and we are unable to speed this process up.

In speaking to Helen she is very keen to get started and is looking forward to renewing acquaintances and making new connection with families. In the meantime the children have had a settled and educational start with Virginia Eddlestone.

I hope to see you at the Welcome BBQ.

Regards

Anthony Burrows
Principal
