For the Parents

We have had a great start to the year! Here are reflections by the students -

Zac – it has been a good week!

Taryn – I think this year has been really interesting. Everyone has been listening and we have been doing lots of math’s and good subjects.

Thomas – It’s good to see my friends again!

Paige C. – This class is very organized and I am enjoying it.

Hugh – It has been a really great first week and I’ve learnt a lot of stuff.

Chloe – It’s been a busy first week and I hope it will be a good year

Hamish – I think that it has been a very good first week.

Sarah – I love all the subjects that we do and Mrs Klonaris teaches it in the way I understand.

Alex – I think that it has been a great first week!

Ally – It has been an interesting first week because there has been challenging work but fun at the same time

Jayden - The year has been a great start to learning new things.

Elijah – I think it has been a great first weeks because we have been learning challenging maths and science.

Kelsie – I think it has been a terrific first week because we have done interesting and fun work.

Kim – It has been a fantastic first week. I have had a lot of fun!

Amy – Lea – I am happy with the way everyone is getting along and I love the math units we have been doing!

Mimosa – So far the year has been really good and the work is better than I expected!

Ben – It has been really fun learning about science and Roman numerals in this class!

Dylan – The start of this year has been really fun. We have been doing lots of science and maths.

Paige S. – I think it has been a great first week because it has been fun!

Archie – It has been a good week.

Noah – It has been fun this week because we’ve got to do the science with the prediction stuff!!!!

Baiden - It is good because you know what is going on in the week =).

Hannah – I think that it has been a very organized week.

Meika – I found the first week of the year fun because I learnt a lot of new things.

For the students – DUE: Wednesday 18 February

This week’s homework is to create and design our class newsletter title, This title will be kept at the top of the newsletter till the end of the year.

Use one page in your Home Communication book to design some catchy titles for our class newsletter. Think carefully about the colours and pictures you would like in the design.

Choose one design and carefully draw it in the template provided. Previous titles have been – Rocket Wave, The Ripple, S’Cool!, Riding the Wave. Write your name on the back of the template.
