For the Parents

Swimming Program for Grade 5s – starts next week. We will be at the pool by 12:30 and return back to school at 2:00. Please remember

- Towels  
- Bathers  
- Goggles  
- Plastic bag for wet gear

Students will be provided with a swim cap in the first session.

Grade 6’s will be working on an extension activity.

So far this term Students have worked on Geography...

In Geography we have discussed:

- Different types of maps eg. Road map, atlas, mud maps
- Different purposes for maps
- Physical and political maps
- Grid references
- Compass rose
- Using legends or keys
- Drawing a map of the school
- Using Google earth
- Locating major cities in Australia

← Students are using a geography booklet to support their learning.

Maths – The main topics for the past two weeks have been

- Converting 24 hour time and analogue time
- Reading timetables (eg. Bus)
- Locating positions using a compass
- Scale – enlarging and reducing pictures
- Temperature – Celsius
- Grids on maps – latitude and longitude
- Rhyme – 30 days has September, April, June and November. All the rest have 31, but February is a different one. It has 28 days clear and 29 days each leap year.

- New tasks have been placed on mathsonline

For the students – DUE: 1st August 2015

1. Carefully copy the next letter box in your Homework book.
2. Draw a map of your bedroom. Use the whole page of your homework book.
   - Create a key for your map
   - Write a title and the date
3. Keep reading for the Premier’s Reading Challenge!
