Dear Families

A new school and P&F ‘Drop-off, Pick-up’ initiative has commenced at Blackmans Bay Primary. Under this system, a driver pulls in to a designated No Parking zone, remains with their car with student/s exiting or entering the vehicle from the kerbside doors only. The initiative operates between 8.40am and 9.05am and 2.40pm and 3.10pm. A supervising teacher assists students at the end of the day.

The ‘Drop-off Pick-up’ initiative is located in our Opal Drive car park.

Advantages of the Drop off Pick Up initiative

The ‘Drop off and Pick Up’ initiative has a number of safety advantages for school students which include:

- Relieving traffic congestion around the school by ensuring cars don’t park for long periods of time in the No Parking zone.
- Providing adult supervision for students being picked up from the school.
- Managing the various transport options available in the school environment.

At this stage there is no adult supervision in the morning. If you are interested in participating in this initiative at this time, please call into the office and pick up further information.

Cheers

Anthony Burrows
Principal
