School Fair Sunday Nov 10th 2013 from 10.30 to 2.30

Dear Families,

Our Fair is rapidly approaching and we need your support. I have included a list and a collection timetable of items that we would be happy to receive at the school office over the next three weeks.

For those new to the Fair, the Tombola stall is looking for small toys etc that would fit inside a plastic “take away” container. On the day of the fair people can purchase a numbered ticket and match it to the number on the Tombola container. The Lucky Dip stall is also after small items and toys to fit inside paper bags. They don’t need to be wrapped.
