Dear Families

Maths Relay – Have a Go!
Last Sunday I attended the Maths Relay Competition. Marg Kibbey and Carolyn Coote helped with judging while our two teams competed against other primary schools. The girls did a great job and would like to challenge you with some questions, ranging from easy to very hard (answers will be published next week). The teams and I would also like to thank Carolyn Coote and Anne Sykes for the time and effort put into challenging the girls and preparing them for the relay.

Cheers

Anthony Burrows

Question 1.
1 metre + 1 centimetre + 1 millimetre = ? millimetre

Question 2.
If four coins are tossed what is the probability (represented as a fraction) that the result will be two heads and two tails?

Question 3.
The sum of two consecutive odd numbers is the square of the product of the first and fourth prime numbers. What are the two odd numbers?

Question 4.
Students were allowed to bring dogs, cats, birds and guinea pigs to a pet parade. 1/2 the pets were dogs, 1/4 of the remaining pets were cats. 1/3 of the rest were birds. What fraction of the pets were guinea pigs?

Question 5.
A Super Ball rebounds half the height from the height it is dropped. If it is dropped from 32 metres, what is the total distance (up and down) the ball will have travelled when it strikes the ground for the sixth time?

### Grade 3-4 and 5-6 Netball

All games resume on Monday 19 August at the usual time and venue as last term. Please contact your coaches to let them know you wish to play again this term. We will continue through until December. If any new players are keen then please contact Jo for grade 3-4 (0408382691) or the School office for grade 5-6 teams. Here is a photo of our grade 3-4 team, terms 1 & 2 break-up party at Mimosa’s house. We all had a great time! Best wishes to everyone for the next session! Jo Boutchard

The Baby & Kids Market is the perfect place for parents, carers and parents-to-be to find excellent quality preloved goods by great brands at bargain prices.

Our next Market will be held this Sunday 4th August at Hobart City Hall, from 9.00am to 12noon – $3 entry and kids are free.

**asthma**

**FOUNDATION OF TASMANIA**

- **Three or more is very poor.**
- **Get control.**

**National Asthma Week**

1st – 7th September

If you're using your blue reliever puffer three times or more a week, your asthma is out of control. Most people with out-of-control asthma don't have to put up with it. Gone are the days when people with asthma had to rely on reliever medication all the time. Now we have medication that will prevent asthma flaring up in the first place.

Contact the Asthma Foundation of Tasmania on 1800 278 462 to have a free chat about controlling your asthma and also receive your FREE brochure: 'Ten things to ask and tell your doctor'.

### Sat 17th August: Goodbye winter, hello spring.

It's time to say 'goodbye' to winter and 'hello' to spring, so to get you in the mood, you'll find a warm and fuzzy, colourful selection of high quality, boutique treats to make you feel like skipping. All of the products on offer are Tasmanian designed/hand made by our very talented bunch of stallholders. From home wares to children's clothing, jewellery to gourmet delights, you're sure to find something to enjoy!

Hope to see you there.

When: Saturday 17th August, 10.00 - 3.00
Where: The Rosny Barn, Rosny Park.
