We need lemons!! for our Science unit.

**Class Goals:**
- Time Management & Organisation

**Class Charity –**
Operation Christmas Child
Thank you for all the donations – we are still collecting items. Collection will be on **Friday 31 October**

---

**For the Parents**

So far this term ...
Alice- we have been looking at a lot of science, all about energy. I have learnt all about different types of energy, and when they are used.
Molly- we have been doing an incredible amount of science, and hope to do our final experiment and write up our report by week 6. We have also been learning about the circumference of a circle.
Sarah G – we have been working on a lot of Science and we have been flying through it! We also are doing a lot of Maths on the Circumference of circles and I like that.
Dasch – I have enjoyed doing the science work and experiments.
