The Uniform Shop Needs You

Our school Uniform Shop needs volunteers for the 2015 school year. This important role serves our school families, raises money for the school and keeps our students looking good all year long.

What’s involved?

- Attendance at the Uniform Shop during open hours (one hour a week during most of the school year with additional hours at the start of the year during the shop’s busiest time)
- Ordering new uniforms as needed
- Cash handling and account reconciliation
- You will have the opportunity to spend time with the outgoing team to get training and a handover

If you volunteer with a friend or two, you can spread the workload and time commitment.

Interested? Questions about the position? Please contact P&F President Scott Webb at bla.pf@education.tas.gov.au
